Re: M U R 4830

Dear Mr. Turley:

In response to your letter received October 30, 1998, please note that when I gave my August 26, 1998 donation of \$ 1500.00 (not 2,000.) to the Tom Udall campaign, I understood that it was to be applied in the amounts of \$500. to the primary debt and \$1,000. to the general election. He then confirmed in writing to me that my contribution had been accepted and applied in that way. Lest there be any doubt about my contribution designations, I have written Mr. Udall's Campaign confirming my contribution allocations instructions.

Please advise me whether this resolves the problem with respect to my contribution. Thank you.

Yours truly,

Marion W. Noel
